

**Job Title:** Rural Development Intern

**Location:** (Gakenke, Nyamasheke, Kayanza districts)

**Period:** 6 months, with the possibility of extension

**Organization Overview:**

Kula Project, Inc is a non-profit organization that eradicates poverty through the development of entrepreneurs in Rwanda's coffee communities.

**Role Overview:**

We seek a dedicated **Rural Development Intern** to assist in implementing programs that support the livelihoods and well-being of rural coffee farmers. This role provides hands-on experience in community engagement, program implementation, and rural development strategies.

**Key Responsibilities:**

- Assist in planning and executing development programs focused on improving farming practices and livelihoods.
- Engage with rural communities to understand their needs and provide support.
- Help coordinate training sessions and workshops for farmers.
- Conduct field visits to monitor and evaluate the progress of ongoing projects.
- Collect and analyze data to assess program impact and suggest improvements.
- Support the preparation of reports and documentation for stakeholders.
- Contribute to the development of strategies to enhance community participation and program sustainability.

**Qualifications:**

- Completed a degree in Rural Development, Agriculture, Social Work, or a related field.
- Willingness to work in rural areas and engage with local communities.
- Strong interest in community development and rural livelihoods.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively and adapt to diverse environments.

Interested candidates should apply through <https://my.talentmatch.rw/> by **3rd December 2024**.
